*"There is nothing more fun than talking pets — unless it's Talkin' Pets' with Jon Patch."*  
*Betty White*

**Tune in each week to a fun and informative filled national program about pets, wildlife, and our environment. Jon and his pet crew are joined by veterinarians, trainers, behaviorists, authors, national organizations, celebrities, and callers to discuss ways of making this planet a better place for us and all our animal friends.**

*"If you live your life with a pet or just have a love for animals than Talkin' Pets is the show for you. We also have listeners that don't even have pets but love to tune in each week since the show is always riveting, fun and pure entertainment like no other pet show in the country. A formula that has worked for 20 years now, we all look forward to another 20 years to follow." Jon Patch*
